The Isabella Santos Foundation (ISF) is hosting a charity gala to support Atrium Health's Levine Children's Hospital. ISF is establishing innovative healthcare programs at Levine Children's Hospital to treat pediatric oncology patients and support their families. The charity gala will raise funds to support these programs and will help solidify Levine Children's Hospital as a leading healthcare provider in the United States.

**Isabella Santos Foundation is dedicated to elevating Levine Children's Hospital to the next level. We are committed to creating hope for families fighting pediatric cancer.**

The Isabella Santos Foundation (ISF) was founded in honor of Isabella who lost her battle against neuroblastoma in 2012. ISF works to improve rare pediatric cancer treatment options in an effort to improve the survival rate of kids with cancer. ISF has partnered with Levine Children's Hospital to establish the Isabella Santos Foundation Rare and Solid Tumor Program. The program will oversee care for all solid tumors, rare tumors, MIBG therapy and all related clinical and scientific research at LCH.
